

C.A.T.S. Nifty-lift Rider's Guide

On behalf of the City of Anderson Transportation System, we would like to welcome you to Nifty-lift paratransit service.

Nifty-lift serves the needs of customers who, because of a disability, are unable to use the C.A.T.S. regular fixed route bus system, and who meet the criteria established by the U.S. Department of Transportation under the Americans with Disabilities Act (ADA) of 1990.

Throughout this guide you will find helpful information detailing trip planning, companion and PCA qualifications, and the Nifty-lift reservation and cancellation policy.

Nifty-lift paratransit is a ***shared-ride, door-to-door*** service. **Shared ride** means others may board and ride on the same vehicle that you are on and may be picked up and dropped off before you reach your destination. **Door-to-door** means the vehicle will only pick-up and drop off at the outside door of your pick-up and drop-off locations. ***No other assistance*** will be provided beyond the outer door.

Nifty-lift service is available within the Anderson Corporate limits and up to $\frac{3}{4}$ miles of an operating fixed route.

Pickup and Drop off procedures

15 minute Pickup Window:

When you reserve a ride, the vehicle may arrive 15 minutes before or after your scheduled pickup time.

For example, if your pickup time is scheduled for 8am, the vehicle may arrive anytime between 7:45 am and 8:15 am. You should be ready to board the vehicle *at the beginning* of your pickup window.

You will be expected to board the vehicle within 5 minutes of its arrival within your pickup window. For the 8am pickup example, if your vehicle arrives at 7:45 am, you must be on board by 7:50 am. After the 5 minute wait, if you are not on the vehicle, the driver will mark you as a "No Show" and leave. If you are a "No Show" and have other rides for the day and need them, please call the dispatcher to confirm the remainder of your rides.

If you still need your ride after being declared a "No Show" we will make every attempt to pick you up, but the wait for the vehicle to return can be substantial.

Fares

The Fare for Nifty-lift is \$2.00 per person, per one way trip.

The fare can be paid in cash or with a Nifty-lift ticket purchased in advance by ordering them from the Nifty-lift office. The fare must be given in the exact amount. ***The driver does not carry cash and cannot make change.***

Checks, Medicare and Medicaid are not accepted. Passengers will not be transported if he or she does not have the fare.

Companions

You may have a companion ride with you, your companions' pickup and drop off must be the same as yours and they must pay the same fare as you.

Personal Care Attendants (PCA)

A PCA may be a family member, friend or licensed professional, etc... Regardless of the relationship, a PCA is clearly defined to be someone whose services are required by the rider. Passengers that cannot operate their mobility device to and from the vehicle *must have* a PCA or companion to assist them.

PCA's whose services you require, ride for free, but their pickup and drop off locations must be the same as yours.

Should your condition of disability improve or deteriorate, C.A.T.S. management will re-evaluate your need for a PCA.

The decision as to ***required*** use of a PCA will rest solely on C.A.T.S. management.

Transporting Packages

Packages that can be easily carried in ***one trip up the steps*** by yourself and/or the driver are allowed. The driver will assist with the loading and unloading of packages between the vehicle and the curb. ***Customers are responsible for getting packages to and from the curb.***

They will accommodate mobility devices such as wheelchairs and three-wheel scooters up to 48 inches by 30 inches and do not have a combined passenger/device weight of more than 600 pounds. "No Show" and Late Cancellation Policy

To cancel trips call the dispatcher at 644-8312. Please remember to cancel trips you cannot use as soon as possible. Due to excessive cancellations and no shows, which have caused lost trips and/or rides for other patrons, it has become necessary to implement a No Show and Late Cancellation Policy. The definitions are as follows:

No Show: Failure to give any notice of cancellation prior to a scheduled pickup time.

Late Cancellation: Less than 2 hours advanced notice.

Nifty-lift's Policy for Excessive No Shows and Late Cancellations

Four **No Shows** or **Late Cancellations** within a 30 day period (1st occurrence) can result in: suspension of service for up to 30 days.

Four **No Shows** or **Late Cancellations** within a 30 day period and you have been suspended during the previous 12 months (2nd occurrence) can result in: Suspension of service for up to 60 days.

Four **No Shows** or **Late Cancellations** within a 30 day period and you have been suspended twice during the previous 12 months (3rd occurrence) can result in: Suspension of service for up to one year and you must reapply for eligibility.

This policy is intended to prevent excessive bookings and cancellations of rides that deny other trips to passengers needing transportation services. **This policy allows for illness due to your disability or other events beyond your control that require a last minute change in plans.**

A letter will be sent to you with the dates of the no show and/or late cancellations. It will also give you a date when your suspension will begin. You will have 30 days after the date of the letter to appeal the suspension. If you do not appeal within 30 days, your suspension will begin on the date specified on the letter.
