Mayor's Grants for Teachers Program

2023 Grant Application

Application Deadline: Tuesday, December 22, 2023 at 4:00 p.m.

Overview: On September 30, 2023, Mayor Thomas Broderick, Jr. hosted the 7th annual Mayor's Charity Ball for Education, along with our title sponsors, Community Hospital Anderson and Harrah's Hoosier Park Racing and Casino. As in the past, all funds are dedicated to providing classroom grants for educators who teach in Anderson Schools. Since Mayor Broderick started this program in 2016, the events have raised over \$350,000, prior to this last event, to support innovative classroom projects that enhance students' learning experience and improve their academic performance. All full-time teachers in Anderson are eligible to apply. Awards will be announced in mid-January. We are asking all grants be completed and returned to the address below by the deadline of end of day December 22, 2023. Please keep in mind that these grants are meant to directly impact the students in our community and create an opportunity for them to get excited about learning.
